

Unauthorised use of copyrighted imagery

Have you received a letter from Copyright Agent?

Avalon represents a large number of UK and international photographers as well as image agencies, and is therefore obliged to ensure that their images are not published without a proper license, and that their copyright is protected and handled.

Copyright Agent acts in association with Avalon regarding copyright infringement. They have been commissioned to handle all communication and subsequent process in connection with any copyright infringement.

Do you have any questions? You are welcome to contact Copyright Agent with your case number.
